

Realm Racing – Horseshoe Valley and Season Wrap Up

The final three day event at Horseshoe Valley was sponsored on Friday and Saturday by Mystik Lubricants and on Sunday the Dayco National Snowcross Finals.

With it falling on Easter weekend the CSRA put together a family day on Saturday. Kids under 12 were welcomed to the event free of charge and invited to partake in an Easter Egg Hunt sponsored by Pillers Fine Foods. While kids prepared to race onto the track to gather chocolate Gerhart Huber had a few words to say about Autism in preparation for World Autism Day August 2nd. Realm Racing and Huber Motorsports team members also handed out stickers and wrist bands to the children as they departed from the track.

This weekend came to a close with both girls feeling accomplished, a good way to end a season that was tougher than expected. Issues started early from the late delivery of one of our snowmobiles to less than adequate snow conditions for practicing. Both girls still rode their hearts out and had fun!

Lindsey finished off the three day event with 4th place finishes in Junior Girls and 6th, in Junior\Novice. Lindsey had many top five finishes this season riding her Polaris IQR 600 Snowmobile. She battled hard during each race, riding consistently she finished up with a 4th place overall in Junior Girls just 18 points out of 3rd. She continues to improve and is well liked amongst many of the younger riders. She enjoys pumping them up before each race and cheers them on from the sideline.

Meghan celebrated a well-deserved top 5 finish in Transition Girls during the last day of racing. She continues to run hard on her Polaris IQR 600 Snowmobile and was just starting to find her groove during the last couple of races. I expect to see big things from her next year as she works hard in the off season. Meghan managed to finish off the season with a 7th place overall in Transition Girls. She has also found a new passion for photography and has enjoyed shooting some of her favorite riders.

The two girls will again be competing against each other next year and I look forward to watching them push each other in Junior Girls during the 2019 season.

Realm Racing along with Rod Hall Remax Sales Representative also found time during the season to help with some fundraising for our local Autism Ontario Peterborough Chapter. St Louis Bar & Grill, provided the location and Oldies 96.7 FM and Extra 90.5 FM. were onsite to communicate over the air waves. Monies raised are being used to fund local activities in our area.

Even though racing has come to an end for this season Realm Racing still has two remaining fundraisers to assist in our efforts to raise awareness and funds for our local Autism Ontario Peterborough Chapter.

Realm Racing partnered up again with the Huber Motorsports Pillers/Polaris Racing team racing the entire 2018 season to promote autism awareness. They can be found at <http://hubermotorsports.com/>

The support we've received this year has helped make this an unbelievable season and we're already looking forward to next year. Please take the time to visit our sponsor's below, if you need any information on anything please don't hesitate to contact us, we'd love to hear from you!
